EO 12958 DECL: 12/01/2019  
TAGS PREL, KNNP, AORC, IR, SY, KN, IN  
SUBJECT: STAFFDEL KESSLER EXAMINES IRAN, SYRIA, AND  
MULTILATERAL VIENNA'S FRUSTRATING NAM DYNAMIC

REF: EMBASSY VIENNA 1450

Classified By: Mark Scheland, Counselor for Nuclear Policy; reasons 1.4 (b) and (d)

1. (S) Summary: HFAC staffers Richard Kessler and David Fite received from IAEA Secretariat November 10 information on the Iran case that trac  
2. (C) Summary contd.: On Syria, Nackaerts said the Secretariat had told Damascus its first explanation for the presence of anthropogenic urar  
3. (SBU) Contd.: Treating Technical Cooperation, the STAFFDEL received the same briefing on the Safeguards Department's project review process  
4. (SBU) Contd.: The STAFFDEL also engaged P5-plus-1 heads of mission over lunch on the means to draw or impel Iran to open up on its nuclear  
Fordow/Qom and Iran PMD: Frustration, but Good Support from the U.S.

5. (U) House Foreign Affairs Committee (HFAC) Majority Staff Director Richard Kessler and Professional Staff Member David Fite (STAFFDEL) sper

diplomacy in Vienna. STAFFDEL's UNVIE program followed a day of consultations with Austrian officials (reftel).  
6. (SBU) IAEA Safeguards Department Operations B (AOR Mideast, South Asia, parts of Europe, the Americas, and all nuclear weapons states) Dire  
7. (S) STAFFDEL asked if the Agency enjoyed full access to the Arak IR-40 plant. Nackaerts related there had been no access for a 12-month per  
8. (S) Fite alluded to then-DG ElBaradei's remarks of a few days before in U.S. media to the effect that the inspectors had found "nothing to  
Syria Stalemate  
UNVIE VIEN 00000540 003 OF 005

9. (SBU) The Syria case, Nackaerts said, was starting to look like Iran in that the government provided "good cooperation" on some areas but g  
Return to DPRK? Safeguards in India?

10. (SBU) Asked how quickly IAEA inspectors could resume work in North Korea if re-admitted by the government, Tariq Rauf of IAEA External Rel  
11. (SBU) Asked about progress toward safeguards implementation in India, Rauf confirmed the GOI had submitted a "formal list" of facilities t  
Scrutinizing and Promoting IAEA Technical Cooperation

12. (U) Renaud Chatelus of the Safeguards Division of Information Management (SGIM) acquainted STAFFDEL with IAEA screening of Technical Coo  
13. (U) STAFFDEL member Fite observed that segments of the GAO report treating transfers to state sponsors of terrorism as well as on program  
UNVIE VIEN 00000540 004 OF 005  
to resolve slow U.S. payment of assessments and do more for the Agency, but was rebuffed because the GAO report on TC had "poisoned the waters.  
14. (U) STAFFDEL's meeting with Secretariat officials concluded in an exchange with Seybold, TC's section head for strategy and partnerships,  
P5-plus-1 Ambassadors Regret Iranian Paralysis on TRR; Depict Grim Dynamic with G-77/NAM

15. (C) STAFFDEL was the guests of honor at lunch hosted by the Ambassador with his counterparts from China, Germany, Russia, and the UK and t  
16. (C) Russian Ambassador Alexander Zmeyevskiy asserted that confidentiality was a major concern for Iran. He noted its TRR counter-proposals  
17. (C) Sequeing from Iran to DPRK, Chinese Ambassador Hu Xiaodi said the main difference between the cases was that progress with DPRK had be  
UNVIE VIEN 00000540 005 OF 005  
wanted something specific, whereas he (Hu) had never heard Iranian officials say that they wanted a settlement, or that they wanted anything sp  
18. (SBU) Ambassador turned the discussion to the dynamic between groups of Member States, as illustrated in the ongoing discussion of a Tech  
19. (SBU) French Charge Philippe Merlin discouraged STAFFDEL from expecting diplomatic gains, say in the NPT review, through greater generosit  
20. (U) STAFFDEL did not review this report.
